Here's to the Yuma High . . .

Introduction

In looking back on our school year, we find our 1963 *El Saguaro* helping us relive the activities of an unforgettable year. It was the beginning of a profitable academic and social experience for the freshmen and the ending of an important part of the seniors' lives. Throughout this book we will record the steps we have taken in increasing our knowledge while building lasting friendships. The staff of *El Saguaro* has chosen the theme of "School Life" to represent the progress we have made during our brief stay at Yuma High.

Mr. Henry Martinez

Henry Martinez

We Salute You !!!

"Yuma High is my school and I want everyone to be as proud of it as I am." That is how Assistant Principal Henry Martinez sums up his feelings for his Alma Mater.

He has always felt that way about the Blue and White; from his freshman days when he lettered in football weighing 130 pounds "soaking wet" til in 1939 as a senior he returned a quick kick in the season opener, ran it 75 yards for a touchdown, and went on to letter in football, basketball, and track.

His education was interrupted by WWII and his service in the navy. After the war he completed his degree requirements at ASC Flagstaff, added boxing to his list of athletic accomplishments, and married the "Campus Fiesta" Queen at Arizona State.

Williams, Arizona, was the scene of his early teaching and coaching days. It was also the period of his life that he acquired his love for hunting and "hound dogs." His acceptance by the students and citizens of Williams was further attested to by his appointment as Principal of the Williams High School.

Five years ago the desire to return to his hometown was fulfilled when he was offered an administrative position at his Alma Mater. During these years he has endeared himself to teachers and students alike and all who have come in contact with him know his intense desire to keep Yuma High second to none.

We have found him to be strict without being unfair; he has handled the difficult task of school disciplinarian with firm but gentle hands and has earned the respect of every Crim with whom he has come in contact.

With sincere appreciation and fond affection we dedicate the 1963 *El Saguaro* to a man who was a worthy Crim, while a student at YHS, and has returned to dedicate his knowledge and enthusiasm to making better Crims of all of us.

Snider Hall as it stands alongside Main and Ad. It is the oldest building on campus, named after E. Q. Snider, a former principal of Yuma High.

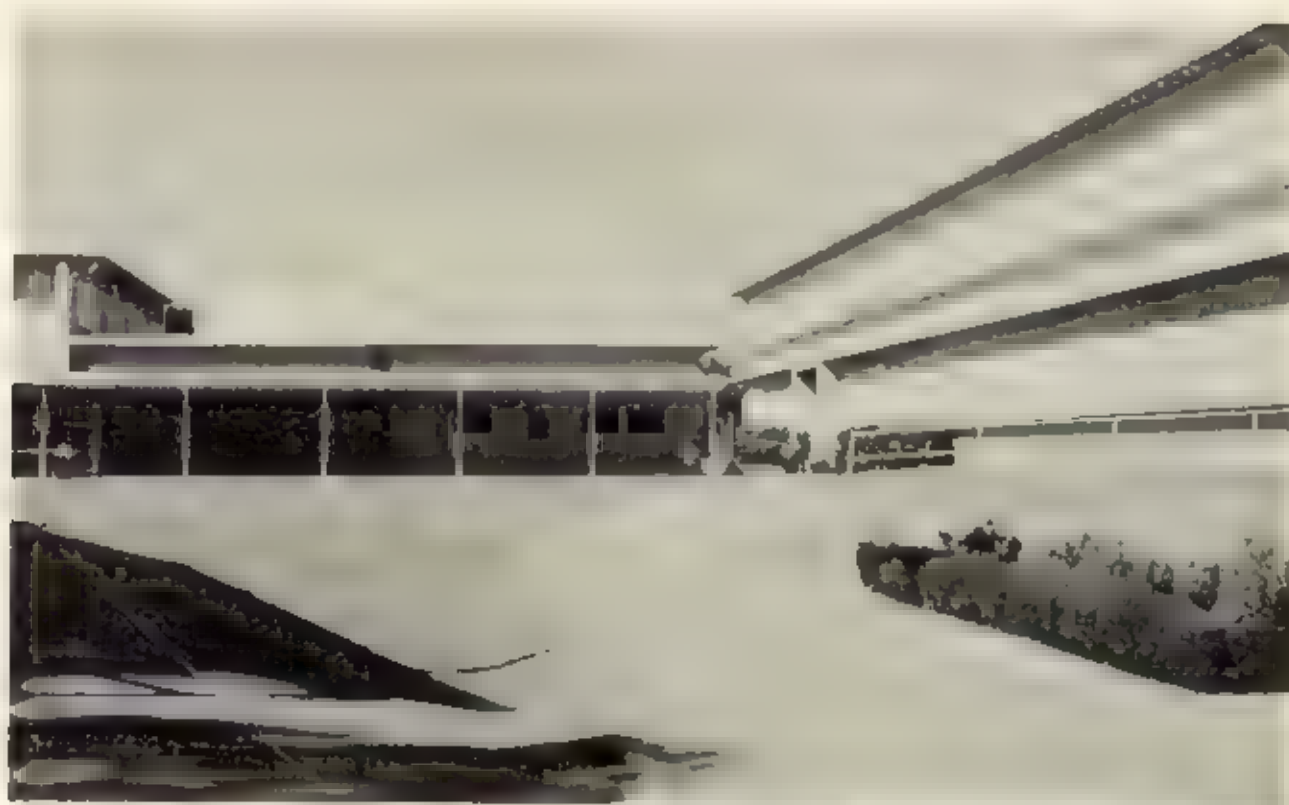

A peek down the bottom of Ad. An empty hall—a rare scene at Yuma High.

The stairs between Main and Ad. where warm summer breezes blow and cold winds chill students as they pass between classes.

Students often sit on the grass in front of Ad. Building to eat lunch or just sit around and talk.

The triangle is a busy scene as students hurry between classes. Pep rallies are also held in the triangle.

Shop classes, where boys and a few girls are taught crafts, mechanical drawing, wood shop, and auto mechanics.

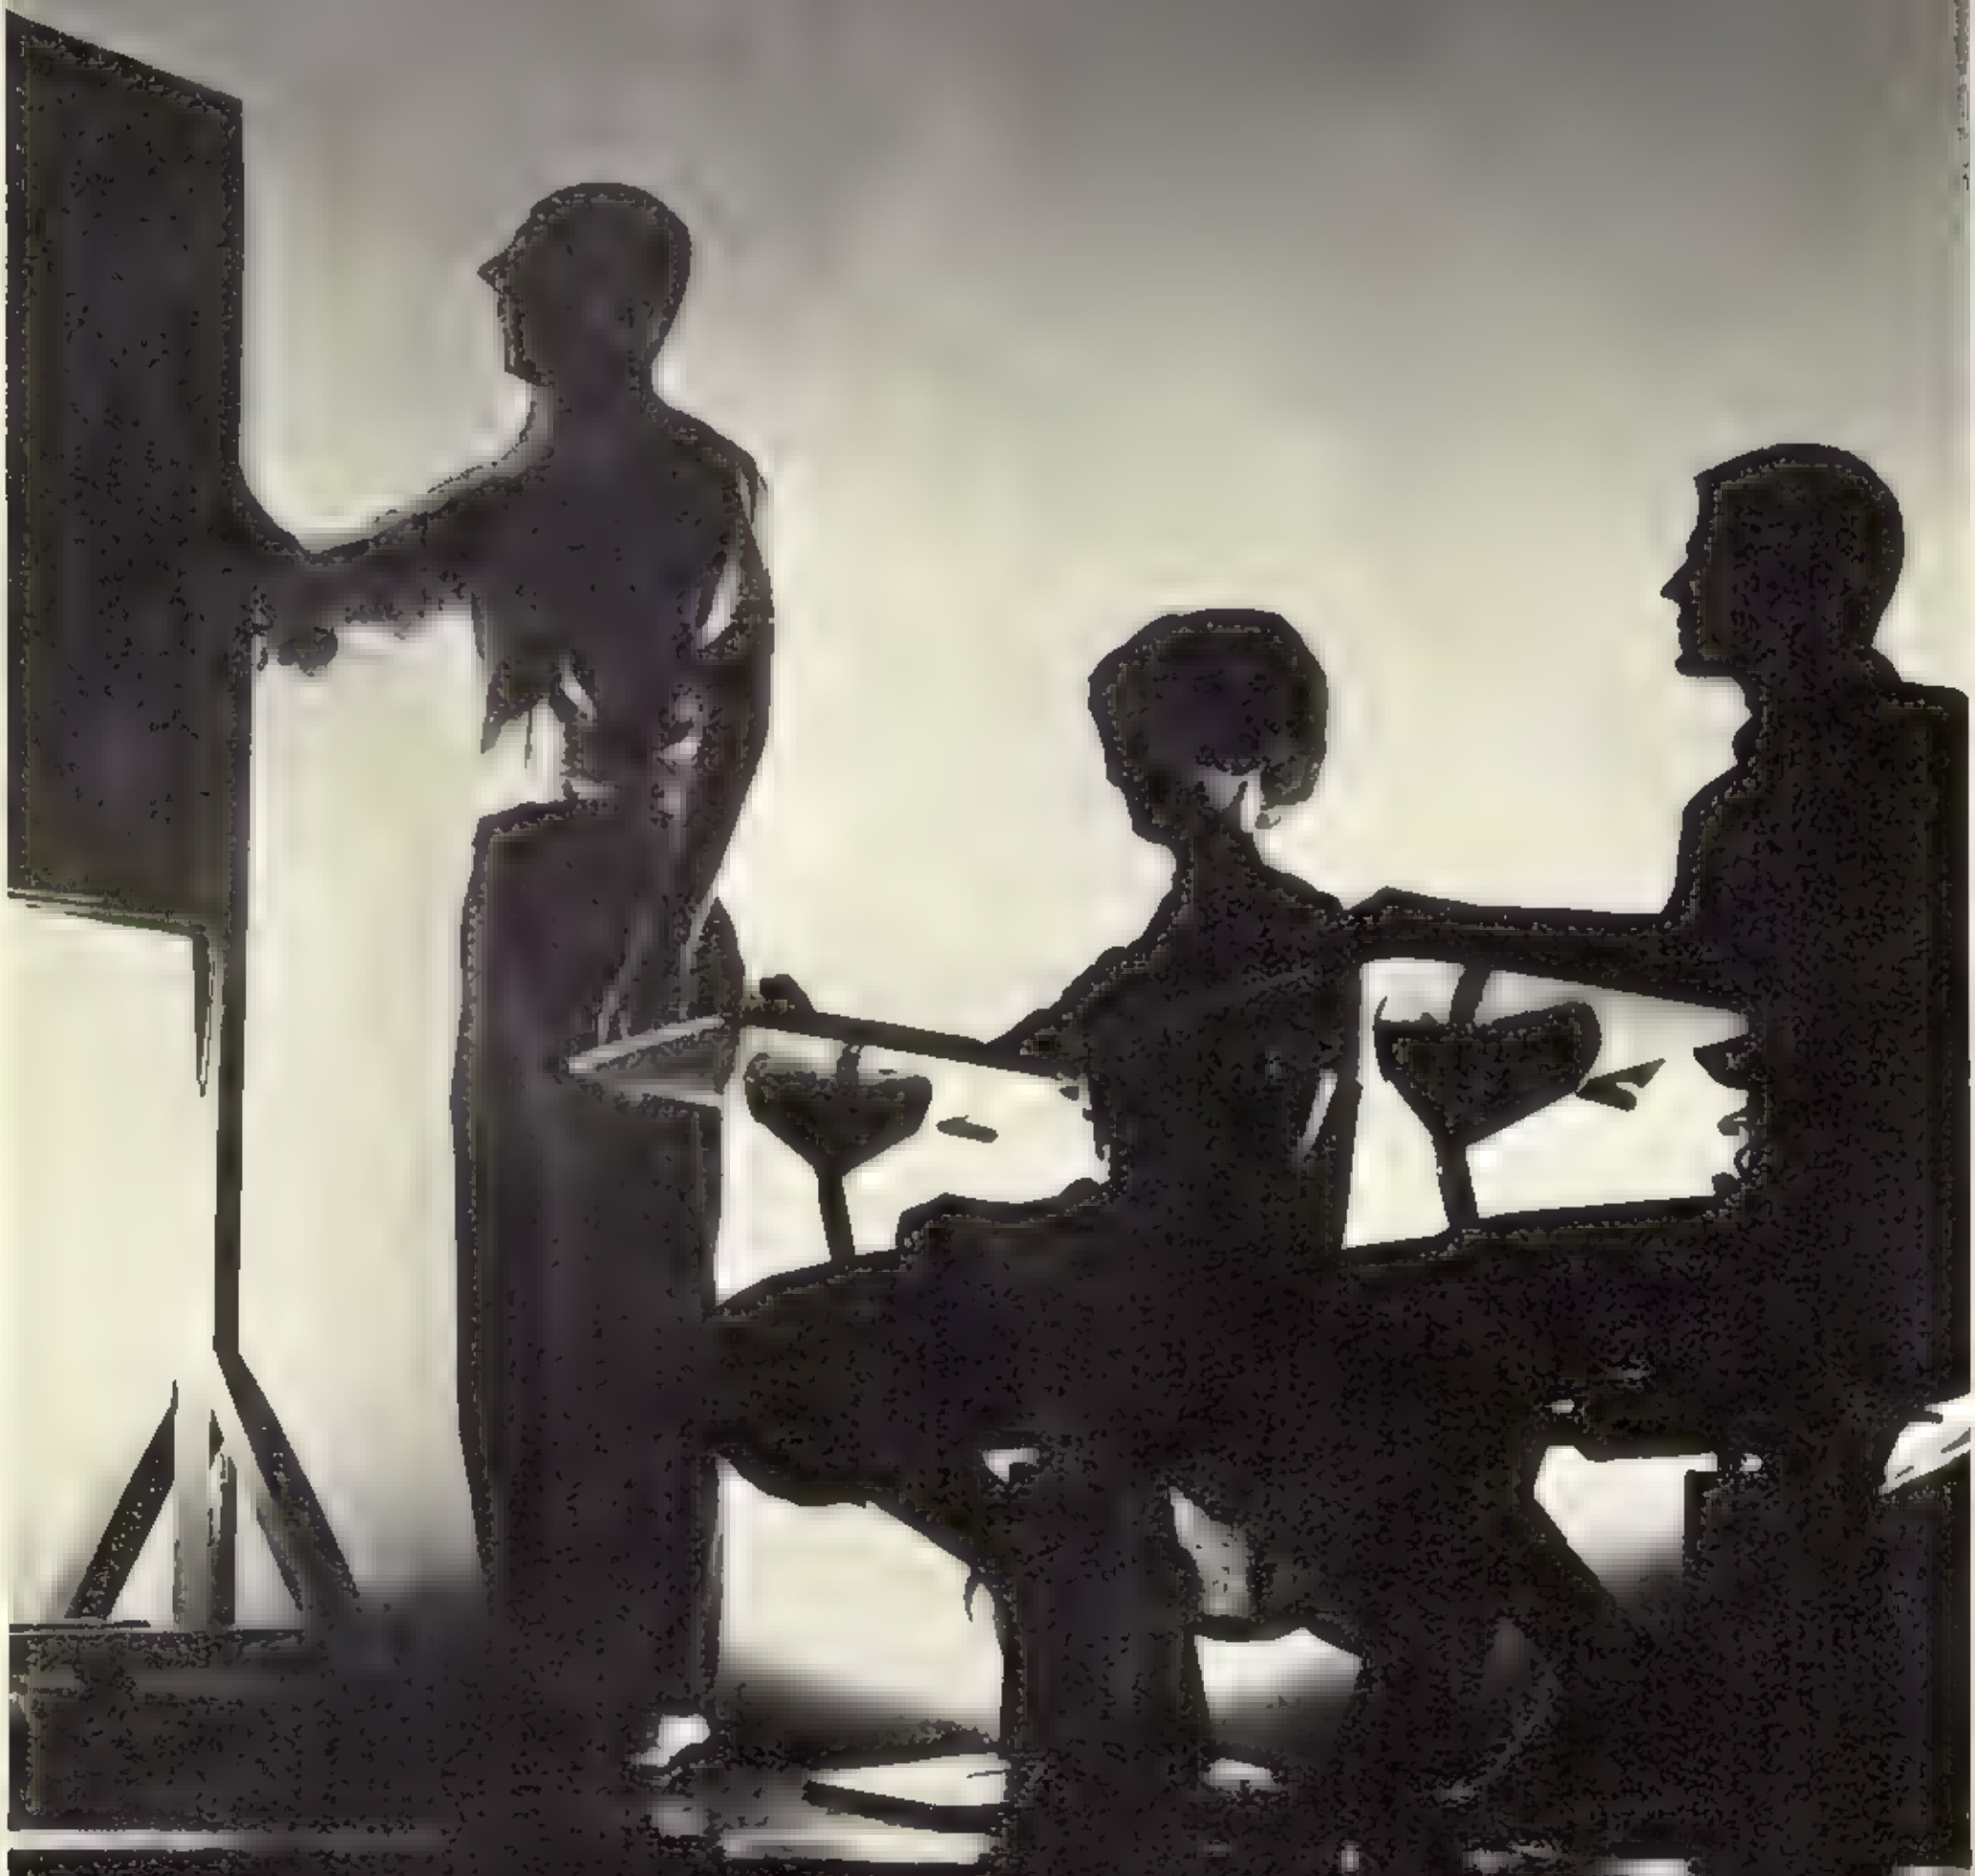

The cafeteria is the favorite meeting place of all students alike. All school dances are held in the cafeteria and are enjoyed by all.

The stone bleachers are used as eating areas for many Crims. Many assemblies and pep rallies are held on Doan Field.

In the Ag. Building, alongside the gym, students are taught Agriculture. American History is also taught there.

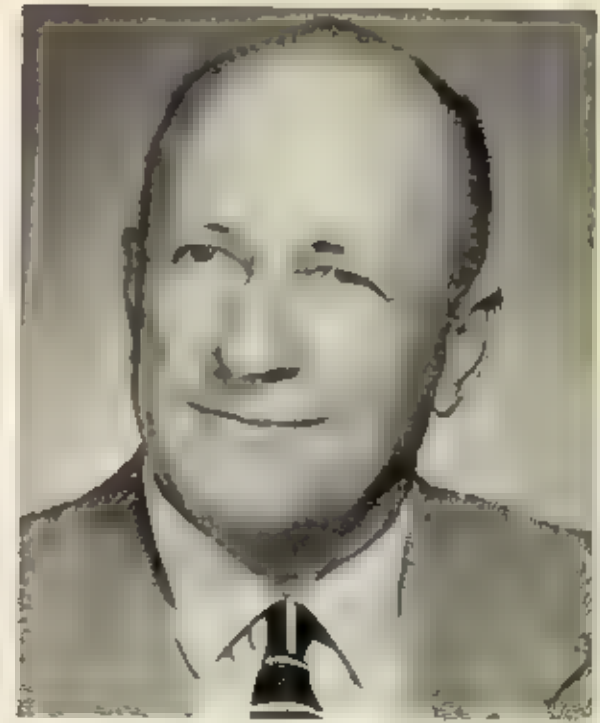

Elaine,
You are a real
sweet girl and are a
lot of fun. But I wish
anything you ever wish.
I'll see you next year.
Love
Dorothy

YHS Marching Band Is

The Yuma High School Marching Band had a very successful season. Their routines were done to such tunes as "Chu-Chu Cha Cha," "Peppermint Twist," "When The Saints Come Marching In," and "Moon River." Many hard hours of work and sweat were spent by the band to uphold its title as best in the state. Their motto, *Fidentes Et Fideles*—Confidence and loyalty, was a major factor for their success.

Patty Turner

Nancy Knapp

Colleen Gray

These 3 freshmen majorettes experienced not only football halftimes, but also several parades. Richer with knowledge and experience as a majorette, we are looking forward to them guiding the band in 3 more successful years of marching seasons.

Best in State

Johnny Dallabetta, Drum Major

Responsibility and musical knowledge were necessary for Johnny to successfully lead the band in its marching season. Johnny has been a member of the concert, marching, and dance bands all of his 4 years at YHS. This 6'2" senior has served as the drum major the past 2 years.

Pamela Simons, Head Majorette

While serving as head majorette her junior and senior years, Pam has been responsible for selecting original ideas for both majorette and band routines. Pam has served as a band majorette for 3 years and has been a band member for 4 years.

Linda Gray

This YHS senior has been a member of the band for 4 years. Of those 4, she served as a majorette her junior and senior years.

He has to see that the people in the play get their characters the way they are to be done. This year our Director is Mr. Weete and our Student Director is Michelle Rice, a Junior

this year. Student director does a lot of varied odd jobs. Getting costumes, helping the publicity, and making sure every thing is going along smoothly.

Drama Club Play to assure its success. Through the efforts of director William Brennan and the Drama Club, "The Dairy of Anne Frank" has become one of the top plays ever to be presented at Yuma High.

Drama Club Play

Mr. Otto Frank (Tom McQuaid) dances a waltz with Anne (Margaret Guidero) as Margot (Ginger Neece) watches.

Making sure that they would not be discovered in their hide-away took hours of planning on the part of the Van Daans and the Franks.

Stage manager Claude Sharpensteen, director William Brennan, and student director John Burnett discuss plans for the stage construction.

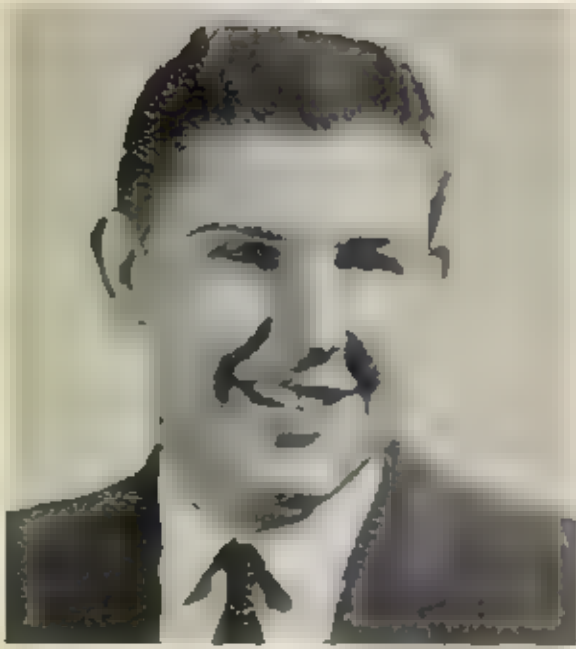

Members of the cast and the stage crew gather around to hear constructive criticism from director William Brennan.

Teena (Martha Arias), the circus snake charmer, is sometimes caught in baffling circumstances. One of the top entertainments at Yuma High, this year's musical revue was very successful. A well-rounded knowledge of music plus hours of rehearsal were two of the main reasons for its success.

You are a real good cheer, friend and I'll
never forget the slumber parties, swimming
parties, Sweetie's class, Soergel's class and all
the many fun times we've had at Blommy's. I
think you're real funny and a good
girlie friend. We know you for a
long time and we never regretted it.
Remember our prom and Kasper's prom.

What fun that was. Bowling was a
panic when you and Carol got up
there to bow. You looked real nice
that night. Also remember Carol's infamous
slumber party. What fun that was when
we finally all got together. Elaine, I hope
we can always remain good friends.

P.S. Stuff the way you are and pull up for Hal! Corn Amos

The End Brought

ANOTHER YEAR has come to an end; it seemed to go by so fast.

FOR THE Seniors it was the last opportunity to do so many things that has been left undone before; such as that last chance to raise grades, to attend all the games, dances, and plays, to make new friends and to become better friends with the old ones.

AT THE same time it was the first chance to perhaps do a little fortune telling into the future. By now most Seniors had decided what they plan to do after graduation: college, jobs, or marriage. Good Luck Class of '63!

WELL CLASS of '64, you finally made it! Yuma High is yours now. We wish you the best of luck in carrying on the traditions of YHS. Have fun and work hard in your Senior year.

OUR SOPHOMORE class is eagerly awaiting the arrival of next September when they can call themselves upperclassmen and be a part of the "ruling class" on campus.

1966 SEEMS to be so far in the future for the Freshmen, that very few of them gave it even a moment's thought. But all too soon the four years will have vanished and graduation will be upon them; just as the end of their Freshman year seemed to disappear.

EACH AND everyone of us has given a part of our lives to a school that has redeemed that small part a thousand times over. Thank you Yuma High, thank you.

This year's basketball team did very well with its opponents. We are very pleased and proud of our boys with the outcome of their games between Kofa.

We can look forward to a few boys that will advance to varsity position from this year's J. V. squad.

Our Freshmen basketball players did a very good job this year. They were probably the shortest team but they made up for that with good players.

Next year they will all come back an experienced J. V. team. We will wait and see what 63 & 64 has for the Freshmen.

Track is one of the sport events during the spring and summer season.

There were only five returning lettermen this year. The sophomores and juniors have played a big part in this years team and have filled the shoes of last years graduating members more than adequately.

As always, long hours of body building and hard work on the part of the individual, not only improves them but also the team. This years squad is predicted to be one of the best in the past few years.

El Saguaro Honors Sally Thomas

For the second time in its history of over fifty years, Yuma High School had a girl for its Student Body President. Twenty-four years ago in 1939, there was a girl president and in 1963, there was another, Sally Thomas.

Sally is the daughter of Mr. and Mrs. J. Harold Thomas. She was born here in Yuma on May 20, 1945.

Her grammar school days were spent at Roosevelt, Post, and Fourth Avenue Junior High Schools. She has been a Crim for the past four years.

During her fifth, sixth, and eighth grades, Sally served on the student council. She was elected to the Yuma High Student Council her sophomore and junior years, where she served as junior and sophomore class representative.

Her junior year, Sally was elected as State Secre-

tary for Girl's League and selected as a Yuma High representative to Girl's State, where she was elected "Mayor of the City." While in high school, she was active in varsity tennis her sophomore and junior years, varsity band her freshman year, treasurer for Girl's League her sophomore year and was a member of NHS, SNHS, Anchor, Warden's, Drama Clubs. She was also a member of the Senior Class Play. So you see, leadership just seems to come natural for this girl. Her job as Student Body President was indeed challenging and Sally met the responsibility with maturity and eagerness.

Sally, in voicing the feelings of the entire Student Body, we offer our heartiest congratulations and "thanks" for a tremendously well-done job.

Again—Thank you!

Acknowledgements

At this time, I wish to thank each and everyone who helped make this book possible.

Being her first year as yearbook advisor, *Mrs. Jean Walker* was always ready to help me over the rough spots. In editing a yearbook there are many.

Cheryl Morrison, Assistant Editor, was in charge of the "School Life" section and was always available to give any necessary advice.

I never had to worry about the financial department because it was in the capable hands of *Pam Pike*, Business Manager, and her assistant, *Naomi Ferro*.

John Burnett, Advertising Manager, was unable to remain on the staff but *Nancy Battenfield*, Assistant Advertising Manager, tackled the job beautifully.

Carole Slosser helped on the sports section along with *Bentley Breech*, *Sue Skevington*, and myself.

Tom Allt, Head Photographer, developed many pictures for the annual assisted by *Louie Alexander* and *Julie Fritz*. *Bentley Breech* and *Sandra Serrine* also helped with the printing of some of the pictures.

Art Editor, *Virginia Schuerling*, designed the beautiful cover. She was also in charge of "Honors and Leadership." The art staff included—*Valerie Keene*, *Sandra Serrine*, *Penny Griffin* and *Beverly Uhl*, Assistant Art Editor.

In charge of the faculty section was *Sandra Serrine* and *John Kosmata*. John also did much to help in the "Fine Arts" section. *Penny Griffin* did a tremendous job on the class plays.

Beverly Uhl was in charge of the seniors. *Valerie Keene* did the juniors while *Anita Renteria* and *Beatriz Arias* were in charge of underclassmen. Both *Anita* and *Bea* were ready and willing to help in the sports section.

"Clubs" were done by *Gloria Orozco*, assisted by *Sharon Grijalva*. They both helped with the sports section.

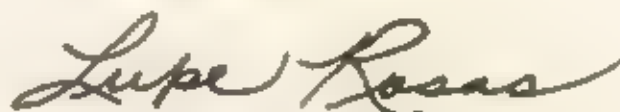

Thanks are also in line for *Updike Studios* who took the class and club pictures. I would like to express my thanks to *Mr. Mel Wakefield*, *Newsfoto Publishing Company*, for his time and valuable assistance, to the *Yuma Daily Sun* who allowed us to use some of their pictures, and to *Craft Photography* who donated the memorial picture.

For our theme, the staff chose "School Life" and "Silhouettes." For their kind help and assistance in helping us produce our divisionals, I would like to thank *Betty Knapp*, *Roy Miller*, *Mr. Robert Weete* and *Duke Spelce*.

"Thanks" is all I can say to the School Administration, the Faculty, and the School Personnel and to all whom I might have missed.

I have enjoyed being editor this year. All the hard work in putting this annual together was worth it because now this book is no longer mine, it is yours to enjoy always.

Sincerely,

Lupe Rosas

The JV Team under the direction of Mr. Pell and Mr. Southward did a fine job this year. Although their record doesn't show it they played good throughout the season and some fine varsity players should come off the team.

Mr. Province and Mr. Headington did a fine job with the freshmen this year as they came out champions in their conference. Nice job men.

He broke the old record of points scored in a season pumping in 431. His high matched the old record at 41 points in a single game. This was also the highest number of points scored at the state meet. He also led the conference in scoring for 61-62.

1961-1962 Varsity Track

The Track team gained much valuable experience this year under the direction of Mr. Needham and Mr. Holehan. The boys were nearly all underclassmen and should be one of the top teams in the state next year. Good luck boys and keep running.

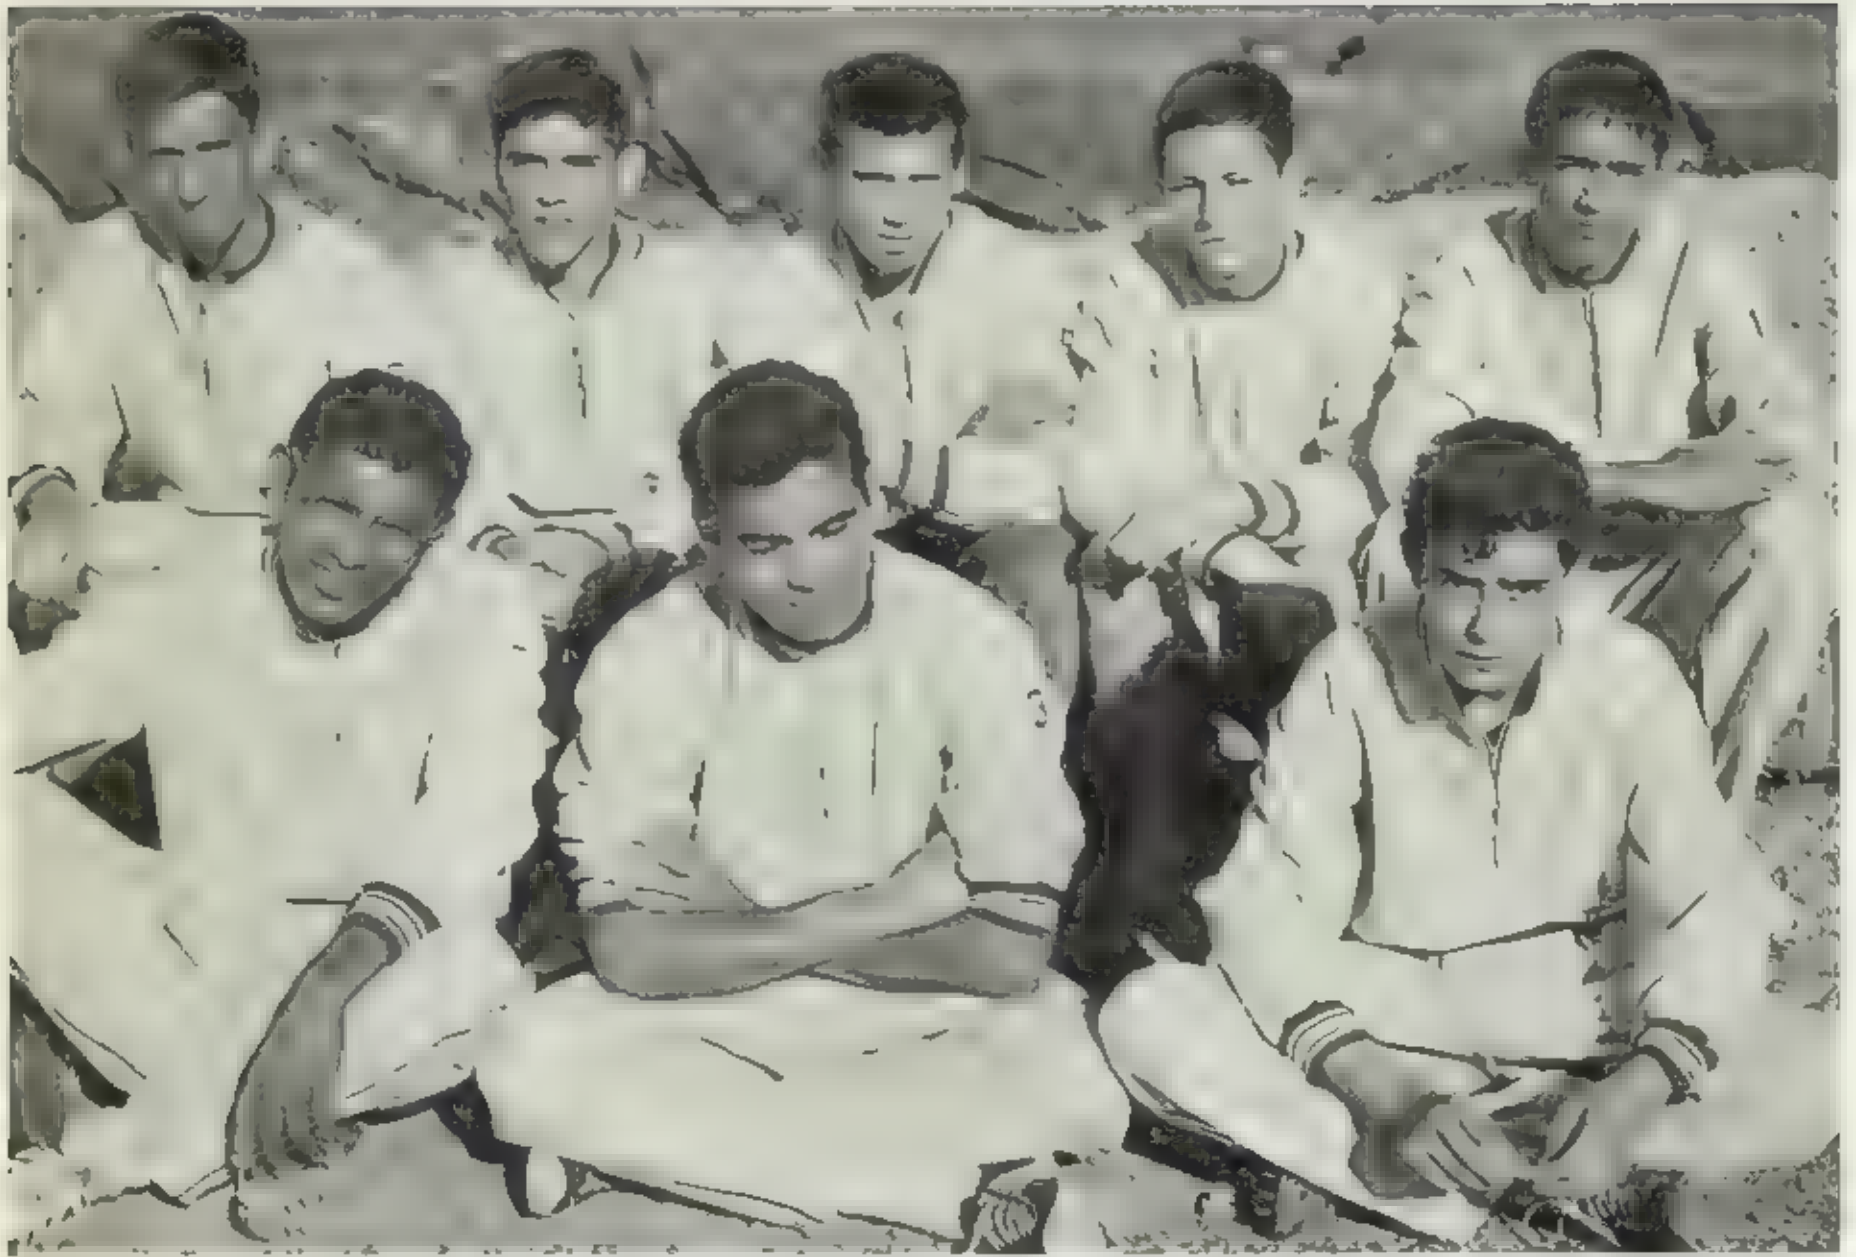

Mr. Needham

JV Track

These boys did a fine job in all events this year as many in their ranks moved up to fill varsity positions. With a full year of experience behind them they should easily make the varsity next year.

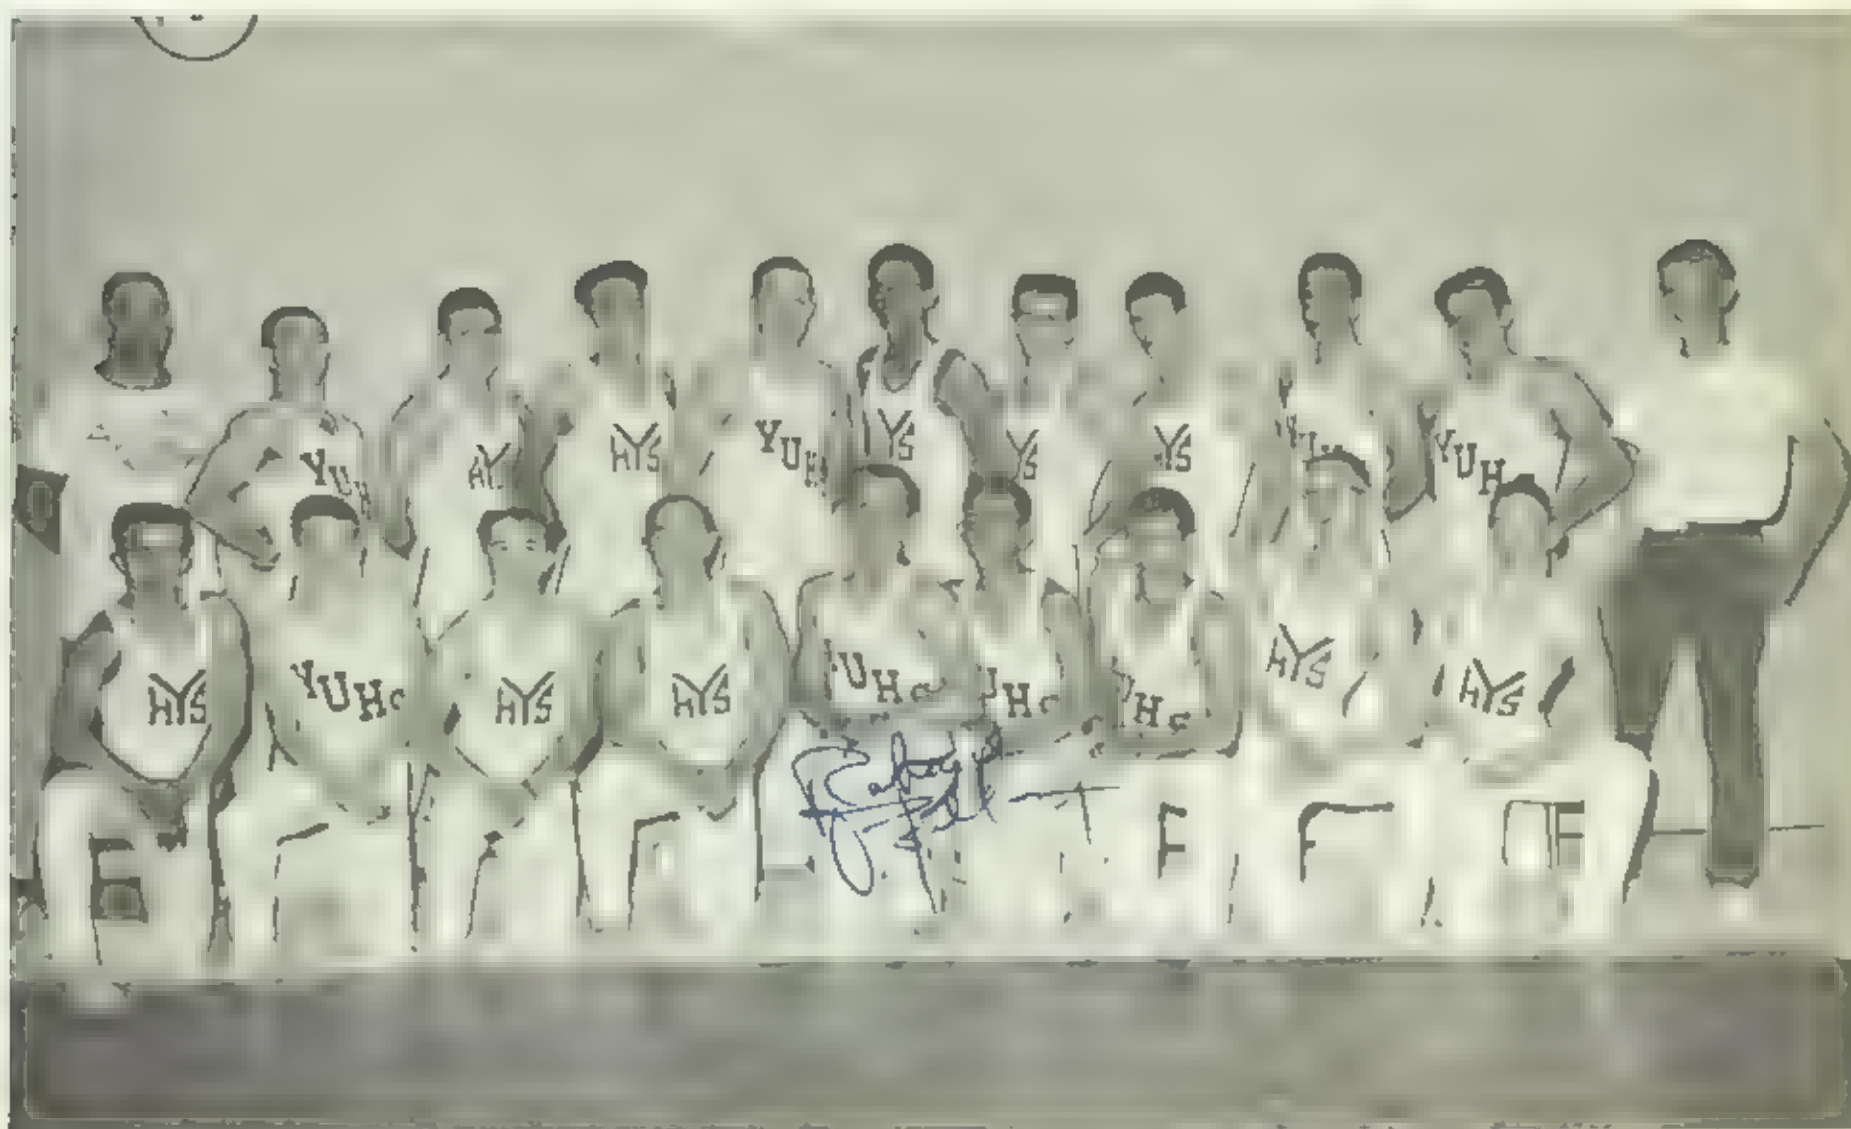

Cross Country

These boys led Yuma High to a fine season this year as freshman Coach Needham produced many fine runners. Most of the runners are freshmen and sophomores with only one senior on the team. Nice going boys and good luck next year.

1961-1962 Swimming Team

1961-1962 Gymnastics Team

1961-1962 Varsity And JV Wrestling

A perfect season record is enough for any kind of a team. However the Crims were not satisfied with this as they took a win in a Christmas Tournament and were Division III Champions. Coach Patterson and his assistant Mr. Powers worked hard with the boys all year to produce the champions that they did. Yuma finished fifth in the state in team points with one state champion.

Varsity Wrestling

These eight boys along with Coach Patterson represented Yuma in the state meet.

These boys earned the right to compete in the meet by placing either first or second in the Division meet.

Sonny McCullough was the State Champion in the 175 pound class for Yuma. Sonny was undefeated in all of his matches this year winding up with 19-0 record for the season. Sonny received the honor of being named captain of the team also.

*I'm sure we
were finally out of good
old latin. Actually when you
look back on it, it's as bad
as it seems, but you think if it
weren't for latin, ^{country} we may never have
become good friends. Good luck in all you do,
Charlie (signed)*

One last word . . .

Every year this page is filled with the editor's "Thank you for . . ." Since the El Saguaro has strayed slightly from the path of conformity to past annuals this page must also.

I have already given my thank you's to the staff. On this page I wish not to thank everyone on the staff for his work and cooperation, but to present to you Yuma High Criminals the people behind the scenes and what they did. It is you who must thank those who captured your memories and put them into this annual.

I will begin my presentation with *Emil Eger*, who took the beautiful photograph that is on the cover. *Alicia Mumford*, associate editor, was in charge of the senior section and was always ready to give the necessary advice. *Johnny Morales* was kept busy with double financial problems because he was business and advertising manager. *Garey Wallace* and *Margaret Mueller*, his assistants, helped him sell ads and annuals respectively. Margaret also did activities section and Garey helped with sports.

Honors and clubs were done by *Lupe Rosas* and *Elvira Urias*. *Amy Wilson* helped not only with layouts, but also in the darkroom. *Ginny Schierling* did the junior section and *Cheryl Morrison* was in charge of underclassmen. Pictures of the classes were taken by *Updike Studios*.

Beverly Uhl was in charge of faculty and *Valerie Keene* and *Mary Crowder* assisted with fine arts. *Pam W. Pike* (W for worker) worked on fine arts, faculty, and did the cheerleaders and songleaders. *Frank Meyers* was in charge of photography and was assisted by *Tom Alt*, who was also sports editor. *The Yuma Daily Sun* donated several action shots of sports.

We, of the annual staff, think we've got the best advisor in the state, *Mr. Charles Ransom*. This is his first year as an annual advisor, but he has tackled the job like a pro.

One of the biggest contributions toward production comes, of course, from our publishers, *Autrey Brothers*.

I'm leaving to you Criminals the task of saying, "Thank you," to everyone who worked hard to make the 1962 El Saguaro just a "little bit better." How can you say thank you? Just say you like it!

Sincerely yours,
Editor-in-Chief

Elaine.
